

Debbie's Thoughts:

We had to dodge a few mud puddles but at least we didn't get rained out again. I cannot believe how many pulls have been rained out, this year. We have never had a rain date get rained out before. A few were cut short because of thunderstorms. I am amazed that with all that rain, we were still in a drought.

Thank you for supporting OCP. I am so glad that we had 115 hooks. There were two pulls this weekend and deer season started in Virginia. I was afraid we wouldn't have enough to put on a good show. I think you all definitely did that.

If you helped, in case I didn't thank you Saturday, Thanks. We were missing some of our regular workers. Because of you we made it fine.

I like night pulls. I don't have to get up early. Thanks for staying up late with us. Hope it wasn't too rough for those that had long drives home. Only thing I don't like about them is trying to take pictures. It is hard to take pictures of moving tractors in the dark. I don't have a very big flash on my camera. Sorry there weren't many pictures. We tried.

Thanks again to the Randleman FFA Alumni for inviting us back. Other than the parking it is a great location. Pulling after ball season helped with that. Hope it was better for you to park on the ballfield instead of the parking lot. We appreciate the Level Cross Community Center letting us all use it. Thanks to the Level Cross Fire Department for their help.

I was glad to see the York family come out. Bet it was hard to, without Wayne Fulton. He passed away recently. He used to pull decades ago with the NCTPA. I am sorry I didn't get a chance to get to know him well. He was just starting with us this year. Hope they can carry on the family tradition.

Thanks for coming to our pulls for another year. Sorry we only had two. Some things are just beyond our control. Hopefully we will be able to put on more pulls next year. Thanks for helping us support Halifax County Quarter Scale Tractor Club. Our goal was to each have a monthly pull. We didn't make it this year. Next year will be better. Pray that everyone has a Happy Thanksgiving, Merry Christmas, and a Happy New Year. Keep in touch. Take care of yourselves.
