

Debbie's Thoughts:

Thanks for coming out early on a cold Saturday to pull with us. I know a lot of you missed deer hunting. Some done that earlier and still made it to pull with us. We had 117 hooks & still got done early. Ricky had plenty of time to get to his family Thanksgiving dinner. I think it was about the smoothest pull we have had this year. I didn't hear any complaints. Hope you all had fun. We had a few new pullers. Hope to see you again. Nice to see a few past pullers come visit. Sorry I had to put you to work. As always we appreciate all the hard work from everyone.

Thanks to Brad Allen & all the employees of Ace Speedway for letting us pull there again. Paul Atkins, of Woody's Racing, & Allen Lewis, of Victorylane Raceway, fixed another great track. Hope we are able to pull there a lot more next year.

We appreciate you helping OCP to have another great season. Hope you all have a Happy Thanksgiving. Not gonna mention all the other holidays cause I will be posting stuff before then. Still have some old pictures to add to SmugMug. Praying I will have time this winter to edit some old videos I have & share them with you.

Forgot to pick on one of our most mature pullers. Sunday is John Crews' birthday. He will be 83 years young. He doesn't look at the website so be sure and tell him I mentioned him.
